

Infant/Early Childhood Mental Health Endorsement®

FAMILY SPECIALIST

PREVENTION-FOCUSED ROLES

WHAT YOU DO MATTERS

Do you:

- Help parents/caregivers "see" the infant or young child as a person?
- Support family understanding of relationship development?
- Recognize risks and make appropriate referrals?
- Help families anticipate and advocate for their needs?

If so — you're already supporting Infant & Early Childhood Mental Health and promoting Early Relational Health.

WHY ENDORSEMENT®?

IECMH Endorsement® validates your work in early childhood and honors your commitment to promoting healthy relationships and early development. It highlights your professional credibility, supports reflective practice, and connects you to a national network of IECMH professionals.

WHO SHOULD APPLY?

- Early Intervention Providers
- Infant/Toddler Coaches
- Home Visitors
- IECMH Consultants
- Child Welfare Case Managers

If your role supports young children and families — you belong here.
