

Infant/Early Childhood Mental Health Endorsement®

FAMILY ASSOCIATE

PROMOTION-FOCUSED ROLES

WHAT YOU DO MATTERS

- Support strong parent–child relationships through a strengths-based lens
- Recognize when referrals are needed and help families access support
- Build trust with families by honoring their experiences, culture, and values

These everyday actions are foundational to Infant & Early Childhood Mental Health and early relational health.

WHY ENDORSEMENT®?

IECMH Endorsement® validates your work in early childhood and honors your commitment to promoting healthy relationships and early development. It highlights your professional credibility, supports reflective practice, and connects you to a national network of IECMH professionals.

WHO SHOULD APPLY?

- Early Childhood Educators
- CASA Volunteers
- Lactation Consultants
- (Early) Head Start Teachers
- Program Administrators
- Home Visitors
- Pediatric Healthcare Providers
- Early Intervention Providers

If your role supports families and promotes early relationships — you belong here.
